RESPONSE TO DOE COMMENTS ON OU 5 - WOMAN CREEK ENVIRONMENTAL EVALUATION
WORK PLAN - JMK-0015-91

Ref: D. P. Simonson ltr (1906) to J. M. Kersh, DOE Comments on OU 5 - Woman Creek
Environmental Evaluation Work Plan, March 14, 1991

EG&G Rocky Flats is concerned about the matters raised in your March 14, 1991 letter
regarding the quality of the Environmental Evaluation Work Plan (EEWP) for Operable Unit
No. 5 (Woman Creek, OU 5).

The version of the OU 5 EEWP which was reviewed was an early draft submitted by our
subcontractor for concurrent EG&G Rocky Flats and DOE/RFO review. Subsequently, the
EEWP was thoroughly revised and submitted to the Environmental Protection Agency (EPA)
and the Colorado Department of Health (CDH) as required by the Interagency Agreement.

The revised version has been accepted by EPA and CDH as the model EEWP that DOE will use
for all subsequent work plans submitted to those agencies. The Final Work Plan contains
substantial improvements over its predecessors in response to DOE/RFO, EG&G Rocky Flats
and regulatory agency comments.
